

Liability Waiver & Code of Conduct

Eagles Travel Ball holds its players to high expectations for effort, discipline, sportsmanship, and leadership on and off the field. This agreement is between Eagles Travel Ball and the player and parent or guardian who sign below. It covers all Eagles Travel Ball practices, games, tournaments, and team activities for as long as the player is on the team.

PLAYER CODE OF CONDUCT

As an Eagles player, I will:

- Be on time and ready to go, on the field and warming up by the start time my coach sets.
- Give full effort at every practice and game, and hustle on and off the field.
- Be coachable: listen, keep an open mind, and accept my role on the team. If I want a bigger role, I will work harder to earn it.
- Be a good teammate. I will not blame others, make excuses, or tease or bully anyone.
- Respect my coaches, umpires, opponents, teammates, and the fields and facilities we use. I will not argue calls.
- Wear the correct, clean uniform with my jersey tucked in and my cap facing forward, and take off jewelry before I step on the field.
- Stay in the dugout during games and keep my phone put away unless a coach gives me permission.
- Tell a coach right away if I am hurt or feel sick.
- Take care of team equipment and help clean up the dugout and field.
- Never use tobacco, vaping products, alcohol, or drugs.
- Represent my family, my team, and myself well, and have fun playing the game.

PARENT AND GUARDIAN CODE OF CONDUCT

As an Eagles parent or guardian, I will:

- Get my player to practices and games on time with the equipment they need, and let a coach know ahead of time if my player will be late or absent.
- Cheer in a positive way for every player and let the coaches coach. I will not give my player instructions from the sidelines while they are batting or in the field.
- Stay out of the dugout during practices and games unless a coach asks me in or my player needs medical attention.
- Treat umpires, coaches, opposing teams, and other families with respect. I will not argue calls or confront umpires, coaches, players, or other parents.
- Bring questions and concerns to a coach privately, at a time we arrange, and not during or right after a game or practice.
- Understand that playing time and positions are coaching decisions.
- Not use tobacco, vaping products, alcohol, or drugs at any team activity.
- Help keep the fields and facilities we use clean.

Good sportsmanship is expected at all times. Eagles Travel Ball may bench, suspend, or remove a player from the team, or ask a parent or guardian to leave a team activity, for conduct that breaks this Code of Conduct.

ASSUMPTION OF RISK

Baseball is a physical sport with real risks. These include being hit by thrown or batted balls and by bats, collisions, falls, sliding injuries, overuse injuries, heat illness, and concussion, and they can result in serious injury, permanent disability, or, in rare cases, death. There are also risks in traveling to and from team activities and in using fields and facilities that Eagles Travel Ball does not own or control. We understand these risks and choose to accept them so that the player can take part.

RELEASE OF LIABILITY

In return for the player being allowed to take part, and to the fullest extent the law allows, the parent or guardian, for themselves and on behalf of the player, releases and agrees not to sue Eagles Travel Ball, its coaches, managers, and volunteers, its sponsors, and the owners and operators of the fields and facilities it uses (together, "the Eagles") for any injury, illness, death, or loss of or damage to property connected with the player's participation in Eagles Travel Ball activities, including travel to and from them, even if caused by the ordinary negligence of the Eagles. This release does not apply to gross negligence or intentional misconduct. The parent or guardian also agrees to cover any costs, including reasonable attorney fees, that the Eagles incur because of a claim brought by or on behalf of the player or the parent or guardian that this release is meant to prevent.

MEDICAL CARE AND INSURANCE

The parent or guardian confirms that the player is physically able to play and will tell the coaches about any medical condition, allergy, or medication the coaches should know about. If the player is hurt or becomes ill and a parent or guardian cannot be reached right away, the coaches may arrange emergency medical care for the player, and the parent or guardian is responsible for its cost. The parent or guardian will keep health insurance in place for the player; any insurance Eagles Travel Ball may carry is secondary to it.

GENERAL

This agreement is governed by the laws of the State of Michigan. If any part of it is found to be unenforceable, the rest stays in effect.

ACKNOWLEDGMENT

We have read this entire agreement, we understand it, and we are signing it voluntarily. We understand that by signing we agree to follow the Code of Conduct and that the parent or guardian is giving up legal rights.
